

Where life is a private celebration...

Looking for a memorable weekend getaway or a romantic honeymoon sojourn? Kayumanis Private Villa and Spa offers a choice of luxurious accommodations in three exclusive locations on the exotic island of Bali. Each retreat is truly unique and pays tribute to Bali's rich culture and artistic heritage. Kayumanis Ubud is blessed with a breathtaking river valley landscape and promises complete privacy amongst mature cinnamon trees and indigenous flora. To be near a white sandy beach, Kayumanis Nusa Dua prides itself on exposing the visual elements of traditional Balinese design with an open-style living concept. And Kayumanis Jimbaran, hidden beneath a grove of coconut trees close to the gentle waters of Jimbaran Bay, is where all your needs will be fulfilled without having to step out of the comfort of your villa estate. A dedicated 24 hour Butler service is just one of the complimentary privileges of staying at Kayumanis Private Villas and Spa. Each property also has its own award-winning spa facility for you to indulge in a collection of body and beauty rituals inspired by the timeless healing traditions of a bygone era. Book now through this special Expat Website and be entitled to **30% discount** at your preferred property.

Open Style of Spa in Kayumanis Ubud

Picnic lunch at Kayumanis Ubud

Kayumanis Spa is all about self awareness and taking the time to heed the calling that beckons from within us all. We are making a conscious effort to bring back the health and beauty traditions of a bygone era.

We present a meticulously crafted menu featuring a compilation of rituals to rebalance the effects of a modern lifestyle. Our menu celebrates Asia's rich healing culture and is infused with contemporary wellness practices.

Signature treatments have been created to reflect the distinct character of each Kayumanis Spa in Bali. We also offer exclusive gender orientated treatments that pay special attention to neglected areas of the male and female anatomy
